“ I just wanted to write these words to a woman who has meant much to me. Aunt Frances always loved me and showed that love - and was "tickled by her Day Day." She still called me that when I visited last summer and I was so happy to be there with my girls and bask in her pride for me. I was deeply hurt by a neighbor as a child and Aunt Frances always mitigated that hurt. I will always her and her love in my heart.

“ Brandon,
You and yours are in our thoughts and prayers...
Miss Frances will be dearly missed...she made fast friends with my Grandmother at Palmyra Park. The ladies knew each other in their youth as well. I was always grateful for her friendship to my Grandmother. I can only hope we find such kindness in old friends during our twilight years... Marti

Thank you two from the center of our souls for what you have meant to Scott, Christy, Riley, Lainey, Oscar, and me in our lives!
