“ *Steve, sorry to hear about your Mom. I always enjoyed waiting on her years ago at the old FSB on the corner of broad and slappy in the dr-thru. That seems like only yesterday. Oh how fast the years go by.*

“ I guess it sounds funny to call "Aunt Frances" my other mother but that is what I did. Everyone, meaning the children, in our neighborhood called all the mothers aunt and the dads uncle. There was Aunt Frances, Aunt Doris, Aunt May, Aunt Blossom. They called my mom Aunt Mary. The neighborhoods of the 50's and 60's are gone and I hate that. My children and grandchildren don't understand what it was like to grow up like we did. The Collins family with Uncle Seth and Aunt Frances, Dub, Steve and Stan took me where ever they went. I didn't matter if it was to Simmons Grocery on Roosevelt or Jacksonville Beach. It didn't matter if it was to Big Daddy's and Big Mama's house or camping at graves spring. I was just part of the Collins family. The memories of those days are and will continue to be and important part of my life. I will miss Aunt Frances as will all thoes who knew her. Today she is celebrating with all of thoes who have gone before her. David Moncrief

“ Seth, Steve and Stan: Am very sorry about your Mother. Remember the good times and know that you were loving and thoughtful sons. You all visited her every day and were so kind and considerate not only to your Mother but also her roommate. Want you to know that you and your families are being thought of. Linda Young

“ Seth, Steve and Stan:
I regret that I learn of your mother's passing to late to visit with you on Monday evening. I thought of Teeter very much as an older sister. Nancy and I send you our heartfelt sympathy and pray that the blessings of Heaven will comfort you in this time of sorrow. We have lost a friend and can only begin to feel the loss that has departed from your life. God bless you.
