“ Aunt Claire and mom, I just wanted to take a minute and tell you how special your mother is to all of us. She has touched all of our lives in such a special way. I look forward to teaching Ally Grace all about her Nannie as she grows. I know we are all mourning her loss, but in the same sense we are rejoicing in the reunion that has taken place with her maker and her loved ones. We have lost a beautiful person, yet the heavens are rich with her soul. I love you and I am here to support you in this difficult time. Nannie would be proud in all you have done to remember her. Her fight is over and she is living in peace.
