“ I remember the Summer of 2014 when she had her helper/driver bring her to my home to meet me and we talked briefly.

*Talk about being excited! I was not expecting her and was so happy when she came by; thinking to myself, she is such a beautiful woman with her fire red hair & flower. On top of looking great, she is SHARP as a TACK.*

*You impacted my world in a positive way and I want to say, Thank you so much..*

*My heart is hurting along with the family. I know you have gone on to be with your husband and other family members who have passed before you.*

*I offer my condolences to the family and friends..*

*Respectfully,*
