“ *Debra, and family, There are really no words to express my feelings for you all at this time in your lives. But, I DO know, because I was in the same place almost 11 yrs ago. Keep Frank's memories alive with your thoughts, he'll always be with you. My sincerely deepest condolences to you all. Lots of love and hugs from the distance, always. Carol Oglesby Willis*

“ Dottie -- I'm so very, very sorry about the loss of your brother, Frank. Also so sorry that I just found out about this a few minutes ago (8/3 10:40 pm), otherwise I would certainly been there for the funeral. Hopefully, you know how much I love you and your family, and am so sorry I wasn't there for you.  
Take care -- will call you tomorrow,  
Love to all,

“ Hello,  
I am very sorry about what happened. Rebecca, you may not remember me but I used to go to St. Teresa's and I was in the same classes with you until 5th grade. But I send all of my prayers out to you because you need it and so does your family. I hope that God will fill that empty part in your heart with love. I love you and God does too.

Love always,

“ I just found out about your loss and wanted to express my deepest sympathy for the family. I'm Frank's 2nd grade SS teacher at Byne. If there is any way we can help you through these especially tough early days... please let me know. My brother took his life at 21. I still remember the pain. We thought he was so young, and he was. But NOW I know that 48 is also young... I'm 47. I'll be praying you Frank, Jr and the family as you sort through your loss. My deepest sympathy, "Miss Linda A"
