“ Sweet little Nick. Such a cute, happy little boy. He & Jeff were best friends from the time they were born. We all had so much fun together. I keep thinking about the Halloween they were both clowns. They were both so cute & sweet they were almost like twins. Even though we all kind of lost contact the last few years, you can't diminish the love and friendship we shared for so long. He will be missed and my heart hurts for those he left behind. Aunt Ruth
