“ I am so sorry for the Family's lost. I have known Pete for a number of years. I can remember when he ran the small grocery store in Lees burg Ga., and in going in there to purchase items from him when i was a young man. Sometimes when i did not have enough money to buy the things that i wanted, he would always let me have the item anyway. That is just one of the very good qualities that he extended not only to me, but to every one that he knew and that knew him. He was a very good man and will be truly missed. My sympathy goes out to the smith family.

“ To The Family of Mr. Franklin Ray Thurmond

My name is Annette. I would like to express my deepest sympathy to each of you.

Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death.

At Matthew 6:10 Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens.

The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman.

That Kingdom will be a reality here on the earth.

The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. (Revelation 21:3-5)

He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs (graves) to live in heaven-like conditions right here on the earth. (John 5:28,29; Psalms 37:29)

“ I was a friend of Frank in High School. I was a water boy on the football team. Frank was a gentle person and was always kind and considerate. The last I talked to him he was excited about going to Wyoming(I believe that was the school).
He will be missed.

“ Both Penney and myself were very saddened by the news of Bubba's passing. The last time I saw him was at Rob's house in Albany. The best thing that I remember about Bubba was that no matter what he was the same ole Bubba that I grew up and knew as a child and an adult. I send this with our deepest sympathy and condolences.
