“ You probably don't remember me but I was the Darton nursing student from Cordele that helped take care of Mr. Adams during his early illness in the CCU. I attend Lee Co. Church of Christ and he has been on our prayer list. They announced this morning that he had passed and I was so sad to hear it. You have a wonderful family and I could tell from the short time I was with him that he was very special to his family. Just wanted you to know that I am very sorry for your loss and you and your family will continue to be in my prayers.

“ Fred's Family: I am sorry for your loss. Fred was an exceptional man with great knowledge and integrity. I enjoyed the times in his office, walking around the plant, and eating lunch at Wagners or Blackbeards learning about his family. He will be greatly missed as a customer but more importantly as a friend. The D/3 Controls Family loved him dearly and we will keep him in our hearts and your family in our prayers.

“ *kathy, April and Stephanie. I want you all to know I loved Freddie like
a brother. He has left more me more pleasant memories I will carry
with me for the rest of my life. Everytime I go by Smoak Bridge on
300 I think of him or when I turned up like a turtle in the Flint River
holding my rod and reel. He lthe laughed till we both cried. To say he
will be greatly missed is a huge understatement because he is
missed already. I will miss the times we talked on the phone for an
hour just talking about stupid things I would do or say. Jenny and I
will miss our Blackbeard outings. We love all of you. Lanny and
Jenny.*

“ *Kathy and Girls~~*

You will be in my thoughts and prayers. I was so sad to hear about Fred and I know how much this will affect your lives. People will say many things and give much advice, but unless they have experienced the situation, they just do not understand. The best advice I can give is realize that God does not give you more than you can handle at one time! All things through Christ for strength.

“ *Kathy, April and Stephanie, I am so sorry about Freddie. I have known him since I was 4 years old and he was like a second dad to me. I remember as a child, hearing sudden burst of laughter coming from the living room and running out to see you all laughing hysterically. Those are fond memories.*

You are all in my prayers and Freddie will be missed. Love you all!
