“ *Gaines, "Big Daddy" affectionately, was a kind and compassionate man. He always had a kind word, a sharp memory and candy to share. My fondest thoughts of Gaines relate to visiting him. I had great hopes of encouraging him and I always left encouraged, inspired and with a piece of his candy in hand. He blessed our lives and will truly be missed. Paul & Candy, always know you dad was grateful for your sacrifices on his behalf.... and he loved the pups. Blessings!*

“Gaines was a true gentleman and a wonderful person. My sympathy to Paul and Mike - I have many fun memories of the good old bowling days. Life was much simpler then!

“Our sympathies to your family in the loss of your loved one. Although I had not seen Mr. Bell in many years, he is a well-remembered figure from my childhood. My grandparents ran a neighborhood grocery store and I loved to be sent on the grown-up errand of going into Albany Amusement for change. Mr. Bell visited with my grandparents as he worked the machines and I always enjoyed seeing him. My husband came to know Mr. Bell in later years. God grant you comfort and peace.
