“ *It's been 2 years tomorrow since you've been gone. Oh I miss you so much. I wish I could dial your number, or even send you a text. I know you are far better off then being here. I know Caitlin misses you too. I keep an eye on her, from a distance. Just too much to deal with most days. I miss you terribly, and I will always be your wife and have my heart break everyday because you are gone. I will see you soon. I love you* ❤️

“ *I will never forget when you got to Colorado. That wonderful smile. That great laugh. No one ever made me laugh so hard. We had so many great times, and they always out numbered the bad. You'll be forever in my memory as my heart breaks. Until we meet again. I love you.*

“ You will definitely be missed my “cuz” as you called me. I’m going to miss our long talks , agreeing on things that really matter, the crazy times that we shared.

The memories that we were able to share will be treasured forever. May you finally be at peace and be our guardian angel. Say hello to Mom, Gramda Annie and Grandpa aka. oolala and hug them tightly.

I love you Gary a bushel and a peck and a hug around the neck.
