“ *Gloria and family,
You are all in my thoughts and prayers during this difficult time. I pray that the Lord will give you strength, comfort and courage as you face the dawning of a new day. The loss of my husband a few months ago has been very difficult, but I believe in the Father's promise that he will be with us through all the difficult times.*

“ Dear Gloria and girls,
I am deeply sorry for your loss. Prayers for peace are with all of you.
Gloria, I often remember the warm tales of family life at the Barton
home that you told to me during our workdays.

I recall Gary's fondness for Christmas ornaments, mountain twig
furniture and his devotion to his manual lawnmower.
I always think of Gary when I unpack my yearly Christmas
decorations and I recall with laughter the time your Christmas tree
fell over due to the many heavy ornaments and that it had to be tied
to the window sash!

Most of all, I recall his warmth and tenderness to all of you: his three
girls the loves of his life. May you be comforted by your heavenly
father during this season in your lives.

“ A wonderful Librarian and scholar whom I had the pleasure of
working with for several years passed this week. Gary Barton was a
librarian who was always there for staff and most of all the public.
He never put his values or morality on hold and all of us learned
from him on a daily basis.
Rest in Peace Gary.

“ Gary was such a pleasant, soft spoken man....it was always a pleasure to speak with him and he was so very willing to try to help you. He had a sense of humor always. I loved the columns he sometimes had in the Herald also. He will be missed by many. The world needs more like him. Sincere condolences from a library patron who will miss him.

“ Dear Gloria, we ,Lenora, Cheryl Tonya and myself, were so very sorry to hear about Gary's passing. As you know he and your family had been patients for many years and we always enjoyed seeing youall-keeping up with how the girls were doing,the U. of Alabama and when you next trip to visit your parents. Gary was always a true gentleman and a down to earth good guy. He will be missed in many ways but always remembered as one of Albany's best.

I am sorry that my wife and I will not be able to attend Gary's funeral or visitation as we had a previous engagement to attene a wedding out of town-but I did want to express my sorrow and sadness. With kind thoughts and prayers for you and your family, Bill Landau

“Gloria, Caroline, and Mary I'm not going to tell you how wonderful Gary was because I know you already know. I will always remember the first time I came to Westwood & I heard Gary sing. It was the most beautiful thing I've heard. Chandler & I made sure we always got a seat behind him so we could really hear him. He inspired me with his courage. I will miss him.

“Gloria-I've seen your family grow and you've seen mine increase and grow. I remember how helpful Gary was with suggesting not just books but other activities for my son at a very young age. I know the love that shined in your eyes for each other will never dim, but I hope that reminiscences from friends (who should have been around more) will help lighten your burden. Gary was very special and will be very missed throughout this community. You and your family are also very special.

“ Dear Gloria, Mary & Caroline,

I feel so blessed and thankful to have worked with a smart, great, humble and loving person such as your husband and father. We talked about many things over the years, but one thing I do know is that he loved you guys soooooo much! Gloria he would stick his tongue out when he talked about his honey do list he had to tackle on his Friday's off and would always joke about the yard work. I knew better, it made him feel special and it gave him joy because he would talk about it with a smile. Mary & Caroline he would always tell me the story that you two were always on his heart, but REALLY on his heart even more when you two started driving! I know that he has left you all with so many fond memories and as you re-capture them and think about them I pray they give you comfort and smiles in the days ahead. If God has a library in heaven, I know that Gary was hired on the spot!!! I will miss him; he was the best and simply irreplaceable. Not only was he my supervisor, he was someone I enjoyed listening and talking to. His presence brought peace, kindness and many smiles into the workplace. He touched my life and inspired me in so many ways. I'll never forget Gary. During this difficult time I pray you all gather strength from one another and that you will feel God's loving arms around you. May God keep you and cover you with his healing grace.

“Hearing someone saying Gary Barton had died the other lady said, "I did not know him." Then the person said "He was the soft spoken man at Northwest Library." And the lady said, "Oh, no! Not that nice man who helped me so often in the Library. I wondered where he was. What happened?" When told of Gary's battle the lady said, "It breaks my heart."

If folks who only knew him by his work efforts are lamenting, just think of how sad his family and friends are!

Good job in the Library, neighborhood, and in your whole life, Gary. You will be missed!

“Dear Gloria, Mary & Caroline,

So sorry to learn of Gary's (your beloved husband & Father's) passing. I cherish the years I spent working with Gary as my manager at Northwest Library and learning from him. Gary's patience and understanding set him heads above the crowd. It was an honor to know him as a manger and friend. I know Gary would have be happy for me knowing I finally graduated with my M.L.I.S. In learning of Gary's illness I am thankful I reconnected with him by sending a birthday card just a short while ago. Gary's faith never waivered. I know he is with the Lord and in perfect health. I hope God's peace and faithfulness brings the comfort it brought me when my son passed.

With my sincere sympathy,

“ Dear Gloria and girls, your husband and father was such a well respected and honored man in our town -I know he will continue to be so! I will cherish the memories of the Palmyra Heights Christmas Tour of Homes and listening to him play the piano but especially getting that special treat of viewing all the miniature Nativity sets on display -wow! They truly need to be on permanent display somewhere -like in the library -what a gift that would be!

Gloria, you worked so hard to meet his every need from the time he got sick to the very end -you are truly a special help-meet. God bless you all and I hope he has made friends with my parents in Heaven and telling them all about his beautiful family and his wonderful Nativity scenes. :-)

He will so missed and I will treasure having known him.

“ Sweet Tea! I never saw anyone drink so much sweet tea as when Gary and I went to Savannah for a GLA meeting. Yes, he was quiet too but when he talked he cracked me up! And made me think.... He and Gloria raised wonderful daughters and I know he loved them to the moon.

The thing that most impressed me was when we came back home from Savannah. There were kids in his yard as his daughters were young. They all came up to Gary just like he was their best friend and asked him to read to them. You cannot pay kids to do that (politicians note) but they sensed the calm spirit and huge heart that was Gary.

I will try my best to be there Friday but if I am not.... Gary I will always consider you my good friend God bless your family and may they carry your memory and spirit beyond...
