“ *Susan, Cathy, Michael, and Sharon, my brothers and I are so very sorry to hear of your mom's passing. Growing up next door to your family made for many memories that will always be cherished. One of my fondest memories of Mrs. Goerling was her in the kitchen making your school lunches. Something in the big scheme of things that probably went unnoticed, but epitomized your mom's love and duty to her family. Your mom gave so much of herself for each of you, you were truly blessed! Coming back to Albany this last summer and seeing your mom after so many years was truly special for all of us. Please know that each of you are in our thoughts and prayers.*

Sincerely,
