“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to www.watchtower.org for more information.*

“ We were shocked and saddened to hear of George's passing. We did not know until late as we were out of town. Otherwise, we would certainly have been at the visitation and services. One of our favorite recollections is one night at Quickie's old location when George sat in our booth and talked about Greece. He urged us to go there and even suggested we should go while his family was there so we could see the real country and people. That trip was never to be, but we always enjoyed conversations with George, Harry, John and Jimmy over these many years. May God give you peace and comfort at this time. Our thoughts and prayers, Robert and Linda Wells

“ To John, Jimmy and George's family,
All of you became members of everyone's family through the Quickie for all of the years you were there. As members of your family pass on, I'm sorry for the younger people in Albany who will never know the pride all of you had in your business and the love and concern you had for your customers. I'll always miss both George and Harry but will hold tight to Jimmy and John - the last two of your family who made Albany such a pleasant place to live.

“ We will always cherish the wonderful memories we have of George and remember the wonderful, kind man he was. We were so blessed to have met him when we first married and moved to Albany in the sixties and the Quickie family became part of our extended family over the years...our many years of friendship will always remain close to our hearts. You are all in our thoughts and prayers at this difficult time and our deepest sympathies are with you all.
