“ Nancy and family, many of us feel your grief and are here to help you share the load; if you will let us. Too many of us have, not too long ago, been where you are today. We know all too well how heavy our heart beats seem to be during a time of loss; and how absent-minded we seem to get; and no matter whether we're really doing good or not, when someone asks, "How are you holding us?", we always answer, "I'm doing good." Nancy, we are here for you, if you need us; and family, we can be here for you too, please just let us know. You are all in our thoughts and prayers.

May God bless and comfort you,
