“ I love Joe so much for the contribution he made to my life. By being a true brother and friend. Joe was always there to listen to me when I needed him most...he had an uncanny knack for knowing when that was...I am thankful for that. Know that the legacy of family he left behind is a tribute to his love of life. Sharon, Alan, Chris & Karrie, I love you all and am here if you need a hand. You are in my daily prayers. Standing in the gap...Trici

“ Dear Sharon and family,
I am Theresa's sister-in-law and I just want you to know that you all have been in my prayer and will continue to be. In just having lost my
Dad, I understand the pain of the loss and the peace of their going home. Lean hard on Jesus, your family, and friends and I know we will get through. The day will come when we will be with them and all the pain, loneliness, and heartache will be gone forever. With love and great respect, Sandy
