“ Laney,
Though time and distance have seperated us and our famlies.....I
still feel I could have walked in the back door of "Mr. John's" and
"Miss Georgia's" house and grabbed a snack out of the refrigerator.
The memories and good times when we all ran together will remain
with me for
life.
You now know why Mama & Daddy were with me the first of this
week, what we were doing and why we can't be with ya'll this
morning.
Let's keep in touch.

“ *Laney,*
You may not remember me, but I grew up next door to your aunt and grandmother on Pine. I was sorry to hear about your mother's death, and I wanted to extend my sympathy to you and your family. I remember you and your parents well from when you came to visit next door, and I remmember Myrtie and "Miss Kate" also. They were all good to me when I was a child. I lost my mother two years ago, so I know how sad this time is for you. You all have my wishes for God's comfort during this time.
Sincerely,
Frances Thornton Potter
