“ *Hi Polly,  
Sorry to hear of Gerald's passing. (And I still have trouble calling him Gerald, it was always Mr. Peters.) I watched to see if our paper would have the date and time for his burial here. Several of us would have been there if we had known.. I was looking through old pictures today and found a really good one of the two of you at one of our family reunions. I hope you will let me know where he is buried. Blessings to you all.*
