“Daddy, I called you “DADDY” the first time I met you!! You took me fishing and we did crazy things together. Years later I moved away... but you were always on my mind.... I remember when you came to visit us in VA... you sat in the shed and tried to shoot the black birds. You sweated your butt off because it was very hot in there, but you really enjoyed yourself.

Until you asked me when will you come see me? .. We came ... you asked me to give you a hair cut....I said “Are you sure?” ... “OK you want it you got it” ...I made a little boo boo. ... we just laughed.... You wanted to show us the woods... where your deer stand is... your cabin .. we sat and talked...and came home and had a nice dinner with you and mom. You still asked for a Krispy Kreme donut for dessert.... You told us “come and pick me up at 9:00 o’clock”.... we came .. I told Scott, you will be ready to go but you ‘re not there.....

Dad , we had a WONDERFUL DAY together , it will be in our hearts forever. You always protected me, take care of me and loved me unconditionally. We will miss you very much!!!....with all our love...
