“ Ronny,

I am so sorry for the loss of your precious mama. I know how much you loved her and her love for you. As you remember, Ray was a resident at Evergreen beginning 2008. I witnessed your devotion, your love and your concern for her care. You were a loving son and she loved you dearly. She would light up when she saw you enter the dining room. You took her on outings daily or almost daily as well as some of her appointments. I know how much she enjoyed going to restaurants for her meals. She was a lovely lady and I appreciate my friendship with her as well as you. My condolences and that you find peace and grace.
