“ *Dear Lem and Phyllis, Heard about your mom's death today. She was a woman of great strength and a lady of patience and grace. Whenever we came home and visited at Free Will church, she always greeted us with a smile and told us how much she missed us. We will always remember her quiet, unassuming manner and treasure our memories of her. May God bless you and your families. Our prayers are with you all.*

“ Phyliss,
I just heard about the loss of your mother this morning. I am so sorry for you and your family. She was always so sweet and kind in our teenage days when I knew her. I know that it is going to be hard on you in the coming days.. Just remember, the good memories that she has left behind for you to cherish, because , it is not what we take with us when we leave this world, but, what we leave behind for the ones we love that count.

“ So sorry to hear of Geraldine's death. She was a love! We worked together at C&S and then, when I became Region Exec for Bank of America, Geraldine would often stop by to say "hello". She was loved by the bank associates and was a dear, caring soul. We will miss her very much.

My sympathy to all the family.
