“ *Giles was my "corporate" partner at Grand Island for the last 4 months. He was a grand person to play golf with and banter about our corporation. So very sorry for your (and my) loss.*

“ OUR HEARTFELT THOUGHTS ARE WITH YOU AT THIS VERY SAD TIME. GILES WAS ALWAYS A PLEASURE TO DEAL WITH, WHETHER THROUGH HINTON OIL COMPANY OR AFTER HIS RETIREMENT. GILES WAS A MAN OF GREAT INTEGRITY. HE PRACTICED WHAT HE PREACHED. MANY PEOPLE, INCLUDING US, WILL MISS HIM DEARLY

“ Dear Betty and Girls, I just want you to know how heart broken I am. He was one of a kind. I could not have had a better coworker and friend. He gave me great advise and taught me many things about patience and life. You could not have asked for a better husband and father though I know you already know that. Some nights when I am working late It seems like I can still hear Giles and the boys in the other office singing. I would be sitting in here tapping my toes and singing under my breath (not getting any work done) just so I could listen to them. There is an empty place in my heart and I will always miss him.
