“ Joe and Joyce, were always so very involved with our youth program, especially the religious Ed program. They seem to have the patience, the love, and made the time for any request we had. They helped open many doors to experience God with their generosity, their compassion, and their love. Together they are experiencing God's generosity, love and sincere welcome home. God bless

“ I am so sad to hear of Joe's passing.
When I first was transferred to MCLB, Albany, Joe was the base's moving coordinator. He and Joyce welcomed us warmly and helped us get settled in.
When i had ankle surgery, he and Joyce visited me in Phoebe Putney Hospital and gave me a bandaged-foot vase with flowers (see Photos). I have worked with Joe and Joyce so many times at the Knights of Columbus Hall for events, bingos and meetings. My eyes are wet with tears...

I am so very sorry for your loss. He was such a good man and a wonderful Dad and Papa to his grandkids. I will always be so grateful for them entrusting their beloved Amy to my nephew Bob to be his wife. Amy has been everything and more than he ever needed, and I know she got a lot of her good natured and loving personality from her dad. God bless and comfort you all now and in the days ahead. Love Aunt Joann
