

Miss. Gladys Agatha Dollar

October 25, 1937 - July 22, 2021

On July 22, 2021 Heaven got their newest angel, Gladys Dollar.

The prayer service will be held at 6 PM Wednesday, July 28 at Kimbrell-Stern Funeral Directors. The funeral mass will be held at 10 AM Thursday at St. Teresa's Catholic Church with Rev. Ray Levreault officiating. Entombment will follow at Crown Hill Cemetery.

Gladys was a servant of the Lord and a giver of her time to everyone around her. She considered it a blessing to help others. She truly loved and treasured her friends and family along with her dog, Katie.

Gladys was a member of the National Beta Club, was the first President of the American Association of Medical Assistants in Georgia, President of DoCo Chapter AAMA and devoted most of her time and life as co-owner of JJ Comics & Cards in Albany and Tifton. She was preceded in death by her parents, W. C. Dollar and Jennie Dollar; brother-in-law, Jerry Yancey; and a dear friend, Joe Stephens.

Gladys is survived by four sisters: Agatha Phillips (Randy) of Oklahoma City, OK, Barbara Yancey of Paris, TN, Billie Dollar of Albany, and Nicki Stephens of Albany; a nephew Randall Phillips of Orlando, FL; and her loving little puppy Katie Bell.

In lieu of flowers, a donation can be made to your favorite charity. You may sign the online guestbook and share your own special thoughts and memories by visiting www.kimbrellstern.com

“ I cannot express in words how special my Granny was to me. She loved me so much, there was never any doubt in my mind how she felt about me. Everytime I talked to her she always told me that I was her number 1. I will always treasure in my heart the summers I spent with her and Nicki Stephens. I will miss being able to visit her or even hear her voice. I will always remember making deer jerky, eating crab legs, hitting up Red Lobster for some clam chowder, dancing around the kitchen table to *The Jungle Book*, driving from her lap, listening to the scanner and driving around to catch all the action going on, and a million more wonderful memories. I know her favorite thing in the world was to be with me, because her favorite thing was always whatever I was into at the time. She always wanted to eat where I wanted to eat and always wanted to do what I wanted to do. She was always there for me and was there for every big event in my life. She was so proud of me whether I did something amazing or just managed to roll out of bed. She always made me feel special. There are times she came close to knocking someone out because they hurt me, and she loved everyone of my friends. Granny, there is no replacement or substitute for you. You are one of the most amazing women I have ever met, and I look forward to the day we meet again. I could type for days and give a million more examples of how you loved me. I love you so much and thank you from the bottom of my heart for always being there for me and loving me unconditionally.

“Nicki and family my heart and prayers go out to you all always. Gladys or as I called her "Nanny" was so very special to me. I would not be the Man I am today without Gladys she taught and instilled in me instruction, discipline, love and compassion. She was there for me so many times during my life and there are not words adequate enough to describe how much she meant to me and my family. Growing up she would take me on trips and let me share so much with her. I remember steering the wheel in her lap and many many days helping her rake leaves and cut grass. Gladys taught me hard work and loyalty but the most important thing was her unconditional love, she was so much to so many and her extended family is never ending. I always enjoyed going over to her Mom's house on Stuart and playing football in the yard or spending time with her Mom, Billie and others. The Dollar family will always be family and nothing can change that. Even when I was in Elementary school she taught me so much I will never forget her showing me the 2 mile walk after school to 2210 Lady Marion Lane or the many other times she spent with me growing up. It always made me smile when she would call me sport model, I can't even express how happy I would be when I spent time with her. Gladys was always so proud and supportive of everything I was involved in and even last month she complimented my family. When I married my wife Theresa 21 years ago it was Gladys that made it possible by gifting us a kitchen table and other items that we did not have. It is so very hard to express all that Gladys did for me but Heaven just gained one very special Angel.

I miss her more than words express but I know that she at peace now with our Heavenly Father and that gives me peace.

“ I remember MissGladys from Dr. Flourney office and from waiting on her at Mama Jeans Resturant and the Quickie Resturant she was a joy to wait on. A lot of girls thought her and Nicki were impossible to wait on. You just had to listen to what they wanted. They always made me laugh. She will be missed. 🥹🙏🙏💔

“ *Gladys was my best friend. We shared so many wonderful times while at AHS. She was my maid of honor when I married Paul in 1960. She will always be a part of my life and memories. My prayers are with her family, as she was so much a part of mine. GOD has told us, "Blessed are those who mourn, for they will be comforted" [Matthew 5:4]. HE will never leave us or forsake us. My love to all of you. Gladys, you will be missed, but we will meet again in heaven.*
