“ Aunt Aline & Uncle Albert were so special to me. As a child I always looked forward to our visits to Georgia and all the family gatherings at their house. It's hard to believe the last time I was there with my Mom was before Uncle Albert passed away. My oldest son James and Don's boy Jay were about the same size babies then. We mourn Aline's passing because even though we hadn't seen her in person through the years she was always close to heart. She is walking in the garden with her Lord. God Bless! Chris Styer Grundy

“ Dear Josh,

So Sorry to hear about your grandmother. We do have hope as christians that we will be united with our loved ones in heaven. For that we are thankful.

“ I have only happy memories of Aline, Albert and their family. It saddens me that we drifted over the years. I share the grief of the family when hearing of the passing over of Aunt Aline. But that grief is somewhat attenuated knowing that she and Uncle Albert are finally together in Our Savior's loving arms. I love this family very much and send them my deepest affection and regards. In His Name. Debbie

“ Mom was a true inspiration and loving example for all of her children. We cherish the time that God allowed her to touch our hearts with her smile and sense of caring devotion. There is no way to fully express our hearts other than to say how we rejoice in knowing God welcomed you into His Kingdom with those words we all desire to hear..."Well done my good and faithful servant." We will miss you, but for a short time here on earth, but KNOW where you are. We love you! Stan, Toni, Travis, Trista and Madyson.
