“ *I will always have your memory at heart; and will miss being able to talk with you. It was too bad that we didn't live closer so that we could see each other more often. But the time we did have was special to me. Remember that we are still sisters forever (don't let go of your charm. Love Always Your Sister Betty (BJ)*

“ *Faith sometimes means giving back to God the things and people we cherish most. When we grieve for lost loved ones, we grieve for ourselves. Let us celebrate that those who have gone home to Heaven now know the full essence of God's true love.*
