“ *I am a dental hygienist and I cleaned Mrs. Gladys's teeth and I was
so upset when I just read that she had passed away. She was one
of my most favorite patients and people and she didn't look or act a
day over 80. I will surely miss her so much and I just wanted to let
you know how special she was to me. Thank you.*

“ *Kay, I had the pleasure of meeting your Mother one time and, wow, what a mark she made on me! Her beautiful smile is implanted in my heart. How fortunate she was to see and know her great grandchildren. I know she will be greatly missed by so many family and friends, but what a comfort it is to know where she is living now. You and your family are in our thoughts and prayers.*
