“ *I just learned of Glenda's passing. I met Glenda when we both started classes at Albany Tech in the spring of 1986. We became instant friends, and I am so saddened by this news. I had not spoken with her in years, but have thought of her many times and wondered how she was doing. May God comfort and bless you all is my prayer.*

“ When I first met Glenda it was at a party at her house and I came with a friend & that is when I met her brother Thomas. It was a fun party. She was a great host. She ask me if I would go out with her brother & I said which brother and she said you dont no him he just came home. He saw you walk thru the front door and told his sister that he was going to marry me. I said you must be crazy. I would never marry him. Well in less than two months we were married. We were married for over 18-yrs. She would always cut up with me over her crazy brother. I miss him and will miss her too. I did not get to see her while she was sick but I did speak with her. I am Thankful for that. I love u very much and will miss u. Kiss Thomas for me my friend.
