“ *Mrs Couch taught me in Second grade, like every other student who came through Riverview primary school. She became one of my favorite teachers, and I along with all my family, have remembered her with great fondness over the many years since then. We send our condolences to you, Mark and Stan, from the Hughes family, offering prayers of comfort as you have laid your mom to rest. May she rest in eternal peace.*

“ I knew your Mom as Miss Gloria Peters. She was my first grade teacher in 1956 at Turner Elementary School. She was always a sweetheart. I would see her around town over the years. We would always stop and chat. Just a super sweet lady. Sending y'all prayers and hugs. Special lady
