“ So sorry to hear about Gloria's passing. During my time at Palmyra Road, Gloria and Wayne were so active and meant the world to me. Gloria was so faithful to look after all the shut-ins and she was always busy with the UMW and her Sunday school class. My thoughts and prayers are with you. May God's grace and peace comfort you during this time of grief and loss.

I am saddened by the death of my friend Gloria. We shared a close relationship while we both attended GSW college in 1955. She took the pictures at my wedding which I cherish so much. I know she has always been a fine Godly person and she is now in a special home called heaven with her husband Wayne who went before her. God bless her daughter Lisa for looking after her in her time of sickness. So long for now Gloria, we hope to join you before too much longer. It will be a great reunion.
