“ *I am so sorry to hear about Gloria. I did not really know her, only met her once. I was working on the family tree and she was related (I can't remember how, but believe thru her mother to my ex grandmother-in-law) and helped me with some information. It has been a long about 20 years, so I don't remember a lot of it. But I do remember her being very nice and helpful.*

All of you will continue to be in my thoughts and prayers.
