“ Nancy,
I am so sorry for your loss. I remember your Mom with so much love and affection from our school days in Albany. She was one of the sweetest, kindest women I have ever known. You were my best friend, and she treated me like another daughter. I always felt comfortable at your house. My love, thoughts and prayers are with you now as you go through this difficult process.

*Love,
Kathy*

“ John and Nancy,

We want to extend our sympathies to both of you. We can truly
understand what you're going through right now. George is
recovering from back surgery; so we won't be at the funeral, but we
wanted you to both know we are thinking of you and you are in our
prayers. With love.
