“ *Mrs. Joan, I so enjoyed the time I spent with you and Mr. Leon, though I wish our meeting had been under different circumstances. You are a beautiful person, inside and out, and Mr. Leon was just precious and oh so very brave. Our talks about his days on his Grandparents farm were so heartwarming and they brought back many of my own family memories. My prayers will continue to be with you and your family, and I wish you peace, comfort and blessings in all the days ahead.*

“ *Prayers lifted for you Bobby and your family. Let the memories of your Dad comfort you while you all wait to be reunited with him. Be joyful that your Dad is free from his earthy pain and limitations as he celebrates with Christ in his forever home, heaven. Sorry I missed the visitation, but know my thoughts are with you today.*

“ All the time I worked with Mr. Nolan, at the police department, I never knew his name was 'Grady Leon'....he was always "Mr. Nolan". He was a good man who had my full respect. He will be missed by all who had the opportunity to know him. See ya by the river Mr. Nolan.
