“ *My brother sent me this list with a distant family member's death on it. I read about Mrs. Plummer and assume she is Linda's mom. If so, I send my heartfelt condolences to the entire family--Phillip, you're a lot younger but Linda and I were in many classes together through the years, until my Mom died after our sophomore year and I went to live with an aunt and uncle in Cairo. I've gone to all the reunions and kept in touch. God bless you all. Janet*

“ I remember Mrs. Plummer as a gracious office manager who took the extra time to make you feel comfortable as you awaited seeing the doctor. And she and George were one of those couples that really made a difference in whatever they were involved in. May the good memories sustain you during this difficult time. And may God lift you up and encourage you at this time.

“ Dear Friends,

I was so sorry to read about Mrs. Plummer's homegoing on the internet. Our love and prayers are with each of you during these tough times. But just think of the great reunion we'll all have one day.

I have so many wonderful memories of your family and truly feel blessed that the Plummers were part of my younger years.

May God be with you until we meet again.

*Love you all,
