“ Chad, Tonya and Brady--you don't know me but I am friends with Dennis and Kayren. I was deeply saddened to hear of the loss of Grayson. I cannot begin to imagine the pain you are in right now. What I can imagine is Grayson being cradled by our Heavenly Father surrounded by the most beautiful things. God needed another angel in Heaven and Grayson was that angel! He will forever be watching over you. You are in my thoughts and prayers.

“ My precious grandson. Our time was brief together but I will hold a special place in my heart for you always. I will always love you and cherish the memory of you. I know you are safe in God's hands and are among many other angels who were at heaven's gate to meet you. Your Grandmama loves and misses you. God Bless.

“ It was a miracle and a blessing when you told us the news and we saw Grayson's first picture. We shared in your excitement and now we share in your heartbreak and pain. There was nothing that could be done to prevent this loss but we have the sweet memories of precious baby Grayson forever! He is heaven with the other angels and will watch over us from above. Our hearts and prayers are with you - always! Love you Grayson!
