“ Dear Kathy,
My deepest sympathy to you and your family for your loss. Greg was the funniest man I ever met. He always had a great come back, or a joke to lift you if you were down. You couldn't be around him and not feel better. Though it's been years since I've seen him, I know that his current friends, especially golfing buddies, will miss him dearly. My thoughts and prayers go out to them as well as to you. God Bless You. Kathryn Wishum Masterson

“ Kathy

I just learned of your loss and had to let you know I am thinking of you in your sorrow. So many things have happened to my friends since I retired from DFCS. My husband has a life threatening problem and I look for strength also. Take care of yourself and always remember me.

“ Kathy~~
You and your family are in my thoughts and prayers. You and I both know that this is a very hard and a large challenge to overcome. Hold to the strength from your children and your family. This will help you to move on and continue with your life. Call me if you need to talk, any time! 888-1154 or 869-2703. Even though we have not kept in touch, I have always admired you and your strength. I never got to know Greg but I know if you chose to love him he had to be extra special and I know that you will value the time you shared with him. God never gives us a mountain that we cannot climb. That saw me through so many days and it will do the same for you. Take care~~

“ Dear Kathy,
I am deeply sorry for your loss. I don't know if you remember me I meet you at Third Base Sports Cafe, I was the manager at the time and came over to speak to you and Greg and your family.

I was very happy that you to meet and married. You made him very happy and it showed on him. I have very good memories of Greg at school and at the parties we all went to on Friday and Saturday nights at the farm, he was alot of fun to be around.

*My deepest regrets,
