“ *I am very sorry to hear of your loss Mr Mike and Mrs Maggie. While I was in middle school at St. Teresa's, I remember walking the halls during class change and your beautiful daughter would purposely mess up my hair for fun. This was a daily ritual and I looked forward to the smile she would have on her face every time :). My family will keep you all in our prayers.*

“ *The last time we visited was the best one of all! We did the shopping tour of Cumberland, kept going store to store, not really shopping..just talking and talking. There will always be a special place in my heart for the "Gretch memories" and a special place too for your family. Bless all and may God keep you safe. Love, Aunt Nancy*

“ I remember Gretchen most as a seven year old. She was such a sweet young girl and I loved her red braids. I enjoyed her time spent with my children, Michelle and Michael and the fun trip we made to the Andersonville Pioneer Village . May the love of our Lord give the family comfort at this time. “ Our heartfelt condolences to the Weisenmiller family from Gretchen's work family. She was a runner and we always enjoyed talking about future races until she got sick. She was a pleasure to work with. She always had a brilliant smile that lit up a room when she entered. She will be missed in Atlanta.
