“ *Aunt Margie, You are in our thoughts and prayers and we thank God for sending Guy to you for these few years that you all had together. Losing your father and our grandfather 30 years ago and now your husband now at the Christmas season is hard to take on this earth, but think of the peace they both have now. We love you and will be down to see you in the next few weeks. Love you and hope to see you soon!*

“ Mr. Ditty has been a dear friend to my family for years. We were at Radium Springs Baptist Church in years past and he was a friend, a teacher, a mentor to my children and a fellow Christian. I am sorry for your loss and I rejoice that he now knows complete peace.

“ Yesterday the world lost the most wonderful man. Mr.Ditty loved life to the fullest, followed in the footsteps of the Lord, made everyone he talked to feel they were important to him. I enjoyed all the talks we had and I learned so much about life from him. I admire him so much and can't say enough good things about him.He taught me not to be selfish and there is always someone that needs help more than I do. He will be terribly missed.

“ WOW!! What a great guy! Mr. Ditty was my first boss at Flint Industrial over 30 years ago. Everytime I had the chance to see him since that time, he was always the same Mr. Ditty. Full of life, joy and an encouraging word. Mr. Ditty always made you feel as if you were the most important person he knew. If there were only more men like Mr. Ditty. I can not say enough about him. At Flint Industrial he was just a lot of fun with us high school boys. He could cut up and carry on just as if he was just another one of us. Thanks Mr. Ditty! As you would often do... I salute you Mr. Ditty! May the peace and grace of our Lord be felt today and in the days ahead by the family.
