“ I always called her LATSON.. She and my mom, Josephine Thomas, were good friends and coworkers at Coates And Clarke. She also used to babysit my daughters, Brianna And Chelsey... My last memory of her was her singing at my mom's funeral 2 years ago... Thank you so much, Latson, for all you have done for my family... We love you and FayeShaye..

“ She was loving, caring, kind hearted, and a beautiful woman that always, always put GOD first no matter what the situation was. She always gave me good advice. She treated me like her own child. I'm going to miss the laughter and all the talks we all had together. Her smile and voice light up a room. Going to miss you mama Gwen. Praying for the Davis and Lastson family. I Love Y'all

My friend and my classmate words can't describe how I am feeling. You told me you would be walking again by the end of this year, but instead GOD has given you your WINGS.
