“ *Our condolences to all the Perea family. My husband, Clay Miller, did a lot of work for Mr. Hank and he thought the world of him and his work ethic. I had the privilege of meeting him and found him to be a kind, gentle, loving man who loved his family deeply. I'm sorry we didn't hear about his death until today or we would have been at the funeral. Our prayers are with you during this difficult time.*

“ *Col. I wanted you to know how much I appreciated the confidence you showed in me in VN. Letting me take over Company D after the ambush and we lost Capt. Rizzo, was a real confidence builder. I still think back on that today when major challenges comes my way. Good Trip Col. See you Gary*

“ Mr. Perea was a true gentleman, family man, friend and American hero. My life has truly been enhanced with his friendship. He enjoyed showing pictures of his children and grandchildren. "Did I show you my latest picture of"...?, and out came his wallet as he told a story of his family and flipping through the pictures. Just made you feel good to be around him! He was an excellent land developer, always tried to consider the future owner. I'm thankful to say he was my friend. My prayers are with you as you adjust to his home-going.
