“ *Judy, Faye and Trey,
You know that I loved Pete to death that was the only way that I could put up with him picking at me every time that we would see each other. If we didn't pick at each other, we would have thought that the other one was mad at us for some reason. I know that we didn't see each other that often but when we did we would make up for lost time of picking at each other. Know that I will miss him something awful. Judy know that you can call anytime that you need help with something.*

*With all of our love,
June and Family*

“ I am so sorry for the Family's lost. I have known Pete for a number of years. I can remember when he ran the small grocery store in Lees burg Ga., and in going in there to purchase items from him when i was a young man. Sometimes when i did not have enough money to buy the things that i wanted, he would always let me have the item anyway. That is just one of the very good qualities that he extended not only to me, but to every one that he knew and that knew him. He was a very good man and will be truly missed. My deep felt sorrows are with you.

“ Aunt Judy, Faye, Trey and family, Uncle Pete will be greatly missed. He always made us feel special. We were so glad we got to be with all of you at the family reunion a couple weeks ago. Jim said no one could cook Bar-B-Que and Brunswick Stew like Uncle Pete. We are sorry we didn't get to come to Uncle Pete's funeral. You are all in our prayers. We love all of you.
