“ *Mr. Hayman and my Daddy were friends since childhood, like their Dads before them. Although there have been many cars in our family, there was only one Mr. Harold; he epitomized honesty, kindness, and the finest Christian values. To have known him was to have loved his gentle and helpful nature; may he rest in peace. Prayers of comfort sent to your entire family at this most difficult time.*

“ *The old Ford kept in tune by Haymans got replaced by a nice Toyota and Hayman's did not do foreign cars. It seems odd missing repair folks, but the Haymans were people I trusted and very good at explaining what was needed. My sympathy for his family, friends and customers. A VERY good man has left us.
