“ *I thought all weekend about all the good times Harriet, Unc, Mama and Daddy and I had! We did laugh! Everytime I left your Mama's house, she sent a plate of food home with me--enough for 2 meals. When I think of Harriett, I think of fun, food, laughter, a sense of humor--and how she could stroll! Everytime we went somewhere, I'd look back and there was Harriett and Mama slowly walking down the street taking it all in. She was a great lady--and my life is better because I knew her. Thanks for sharing her with me.*

“ *Brooks and Joan were little living at 901 2nd when I first met the family. Later I got to know Harriett with 'The Saturdays' and found her to be an attractive, thoughtful, fun adult. If Jane, my mother, were able she would be joining me in condolences, but with limited memory I no longer tell her who died. I remind her of good times with her lost friends. That way she does not have to grieve each time she is told again. We will be enjoying our Woodall/Head memories. So sorry for your loss. My sincere sympathy to all.*

“ To the precious Woodall family:  
How sad I am for you all to lose your mother  
and grandmother. I am thinking of you all  
and praying that you will cling to wonderful  
memories of Harriett during these days ahead.  
I am not able to make the funeral today, but will be to see you all  
very soon.  
Know I love you all.
