“ Harriet will be greatly missed by all at Silvertree Seniors. She was a blessing in my life. She always had a smile no matter what life handed her. I will miss sitting on that red couch and just talking about Oliver while he played with that door stopper. I miss you sweet Harriet.

“ Harriett was my very first BFF in Mrs. Naud’s 3rd grade class at Palmyra Elementary School in Albany, Georgia. She was the first person I ever had a “spend the night” with. I was warmly welcomed by her gracious parents. It was the first of many slumber stay overs with her and she with me in that school year. Although we did not remain in touch over the years, I will always remember her with fondness and love. Paula Smith Blackstock

“ Harriett was a treasure! We shared a special sisterhood at the oncologist office every Thursday. She was the funny one in our group. Thank you for sharing that with me. I love you sweet Harriett a/ka Hazel.
