“ *Dear McDole Family,  
We are very saddened by Harry's passing. We met Harry when  
Jessica and John married.  
Harry was very kind to us and we have very fond memories of him. I  
know he was a dedicated family man who also served as God's  
servant as a Knight of Columbus. Also, he was a faithful US Marine  
and public servant. May Harry Rest In Peace in Heaven and enjoy  
his greatly deserved Inheritance given to him by our Lord and  
Savior, Jesus Christ. In Jesus name we pray for Harry, Amen. Very  
Respectfully,*

“ *My husband, Pete Odom, and I met Harry around 1977 when he first came to Albany. He became a good neighbor, good friend, and coworker with my husband. We all shared good times, happiness, Pregnancies and sorrows together. I was there when Roberta passed away in 1978 and in 1979 on the day when they discovered they were having twins. He was devoted to God, country, Corps and family above all. RIP Harry.*

“ *Harry was a friend for over 20 years. He could be gruff at times; but he loved deeply. He would try to act tough; but really had a soft heart. He was always the go to person for support for his family and friends. He took special care of his Mother. Harry devoted a good part of his life to the Knights of Columbus working on charitable campaigns. He put in so many volunteer hours - many of them behind the scenes - to support the Knights and their families. He loved his Church and I pray the Lord is holding him in His loving arms at this moment. May his family and friends know that he will be truly missed and in my prayers. Joyce Shalack*

“ I worked with Harry at the MCLB, though we didn't interact daily. My most abiding memory of him is when we traveled as a group to VA for training. We all went to lunch every day that week, and every day Harry gushed about his grandkids. I was struck by how this man, usually exacting and quite stern, transformed into grandpa every day at noon....pictures and all.  
I will continue to pray for all who loved Harry as they grieve his loss. May God's grace and the ever-present warmth of his love bring comfort you all.

“ My friend Harry will be missed here at the base. We treasured his help for years that he was with us. I enjoyed the times we talked about his grandchildren and daughter and mine. He will truly be missed amongst us here at MCLC. God bless you Harry as I will see you again one day. No more pain and no more tears!

“ My friend Harry will be missed. We worked together at Darton College where we became good friends. After I left Darton, and while employed at the City of Albany, I was again in a position to work with Harry. After he left the City and returned to work at the Marine Base, we had a standing lunch appointment every Wednesday for several years. We met many times at River Front Bar-B-Q for lunch to discuss the politics of the day, the going-ons at the Marine Base, the City, Darton College, etc. I enjoyed our lunches - our discussions - our shared views and values... I'm am proud to say that Harry McDole was a good friend - my friend!!! He will be sorely missed!!! Glenn D Bailey, Jr.
