“ *I just learned of Het's death and have such fond memories of her when I was young and she and her husband, Clay, were so good to my sisters and me. My deepest sympathy goes to Cathy. I remember when Cathy joined the family and how precious she was to Het and Clay.*

“ Cathy, Just a note to say that I can relate to your feelings as of now. My mom has been gone since 1991 and not a day passes that I don't think about her. My health keeps on going downhill. Would love to talk to you when you are back in Albany. My prayers are with you and your family.
