“ *I just learned of Hattie's passing. I am so very sorry, she was a great neighbor and an excellent friend. We often speak of her and were doing so tonight which sparked my daughter to search for her name online. Seeing her obituary, was devastating. I know she went through a lot with her illness, but now she is with our Lord and her suffering has ended.*

Bless you and your family.

“ *"Middleton" and Family---What a wonderful "homecoming" event that Mrs Middleton received on Saturday. A very sweet service with just the right songs, message and comments on her outstanding life serving Jesus and her earthly family members. Eddie was so outstanding with his presentation as were John and Christina. The time at the cemetary was especially moving with all the love expressed from family and friends. Enjoyed the time with Kathy (and her mother), Sandra, David and his family. So glad to know where both patents are buried. Let me know how I can help this sweet, Christian family--Buck Hartley-- PS: Thank You for blessing me with the honor of being a Pallbearer.*
