“ *Mr. Bass was a pleasant guy to be around. During my employmeny at Evergreen, he and I shared a lot of conversation on the porch. I will miss him a lot he reminds me of my father. Rest in peace. Love Sonia*

“ *Grandpa was the most wonderful man and grandfather that anyone could ever be lucky enough to have. He always had time for all of us. I will especially remember those great big hugs (and his wiskers against my cheek), sitting on the front porch swing with him and all the time he spent with me. He was a truly remarkable man and will be truly missed. I take comfort in knowing that he is with Grandma helping her watch over Nancy.*
