“ Dear Garcia Family,
One of our greatest blessings is our gift of memory. I have so many
happy memories of your mother, grandmother and great-
grandmother. She was an important part of my life. How much fun
Norma and I had with her just sitting and talking as teenagers and
young adults. Over the years we would meet and she met you with
a beautiful smile, her wonderful laugh and updates on her
family. Cherish each and every memory and know that she will
always be with you..
