“ *Though the certainty of death and the uncertainty of life are ever with us, each brings new sorrow and humbles us in our struggle for glory. As you pause to reflect and consider the life and work of your loved one, always remember their dedication to life, and gain inspiration and encouragement from them to overcome your trials and tribulations.*

*I know that you will be brave in your sorrow as she would have wanted you to be. May the love you feel for the one you lost lessen your sorrow, and may God continue to comfort and strengthen you as the days go on. You have my deepest sympathy.*
