“ *I have so many wonderful memories of Aunt Hazel. I loved to go to her house with Mama and Daddy, when I was a young girl. I will always remember all the hand made things she had all over the house. I always wished I could sew like she did.She would have beautiful dolls on the beds made from yarn.Reget so much not having seen her as I should have through the years.

“ I have many fond memories of Mrs. Tinsley. Going to her house when in high school and having lunch with her and her husband and sons. Then swimming in the creek behind their house. I attended Raleigh White Baptist church with her where she was very active in the church. The last time I saw her was in October 2012 when we put my mother-in-law in Palymra Nursing Home. She and Mr. Ralph were in the same room. Mr. Ralph was very talkative, but Mrs. Tinsley was unable to speak. She could hear and would respond to your comments by blinking her eyes. She is in heaven now free from all the chains that restrained her here on this earth. I'm sure she's walking, talking and singing praises to God. I pray that God will give the family peace and comfort during this time of grief. May God bless you all.

“ We met Hazel 1972 just a few months after we moved to Lee County. She accepted us just as we were and became a very good friend. Even though we had not visited regularly we did keep in touch with Ralph and her when possibkle.,

Hazel taught me (Colleen) so much about sewing and gardening. Once I made a dress and didn't have it just right. Hazel had me to rip out what was wrong and resew it. She was a person who truly cared about her family and friends.

Eli, to you, I say, thank you for your devotion to her and to Ralph. I would like to talk with you when possible, She loved you dearly and would share some stories about when they would visit you and your parents. She loved my twin granddaughters (they called her Mimi). She was good to everyone she knew and sometimes I felt people took advantage of her kindness.

We are praying that Ralph does well and will be by to visit him soon. Due to health reasons we will not be able to be a the funeral, but hope to be able to talk with you soon.

Much love
